Screens

Initial Home Page Design

Spanish / English

Welcome, (Username)!

Agenda:

Calendar

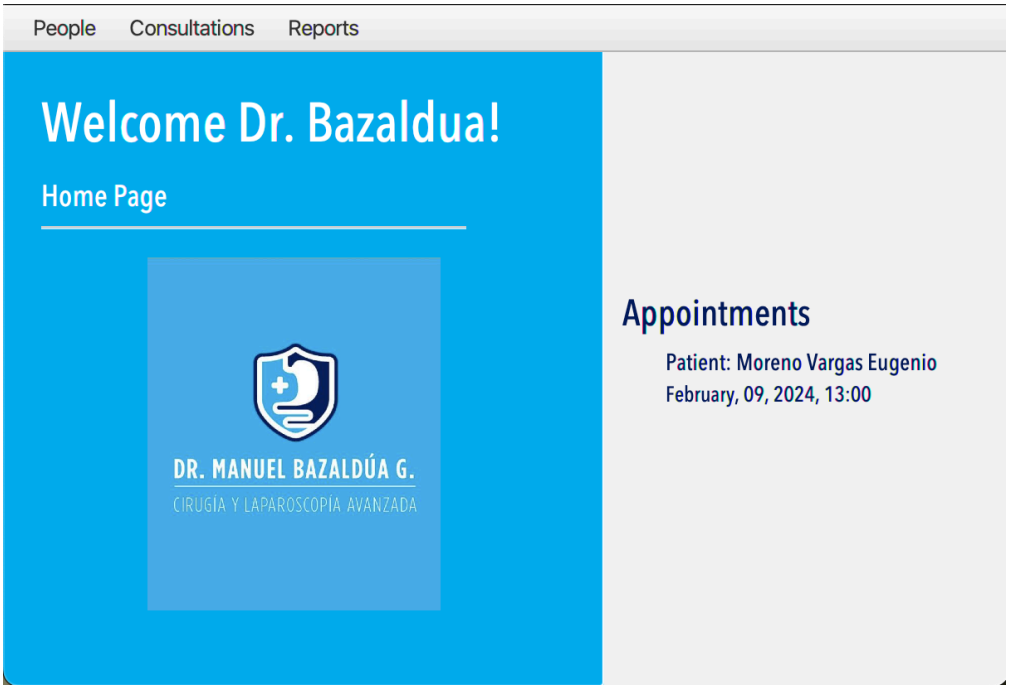

Patients:

Register New Patient | View Patients | Historial/ Patients Records

Reports:

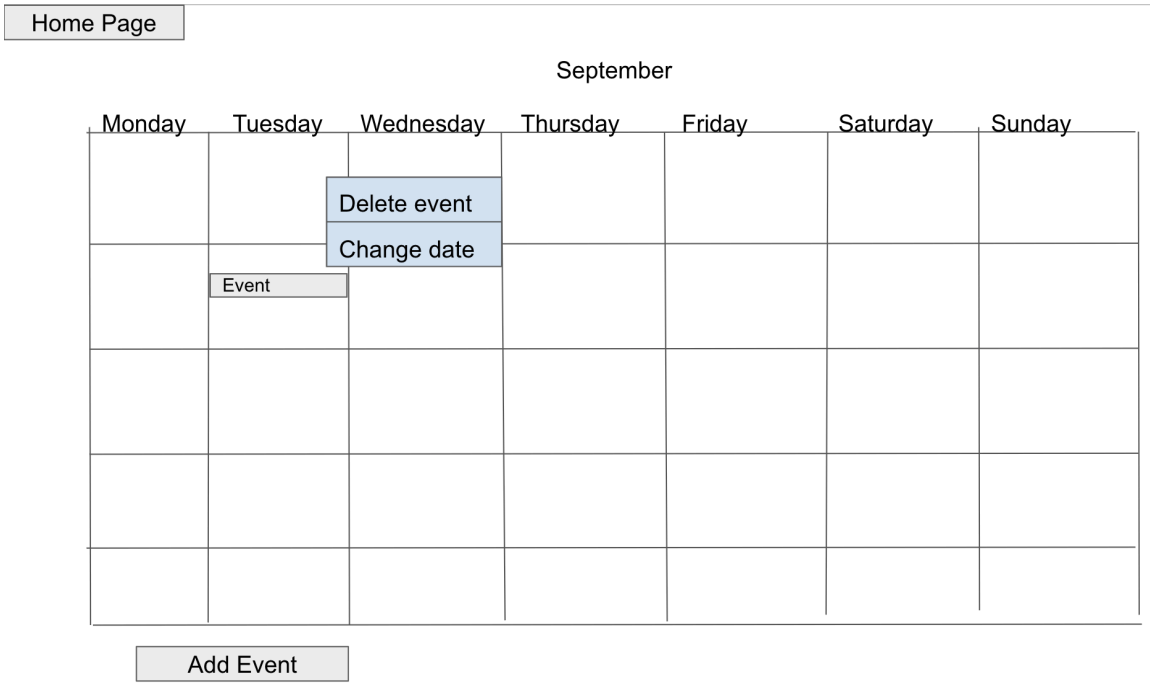

Consultations per Month Reports | Patient's trends Reports.

Final Home Page Design

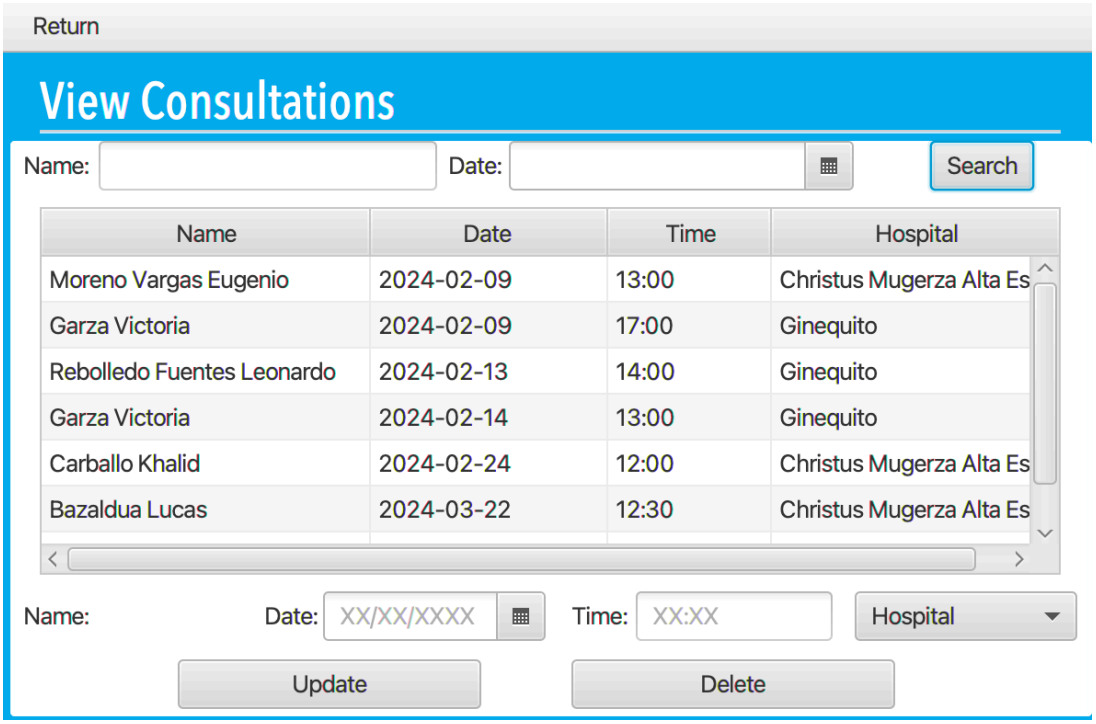

Changes considered better visibility and learnability of the home page screen, as well as aesthetics, considering UX in the process.

Initial View Consultations Design.

Final View Consultations Design.

Changes considered a better functionality of the Scene and a better visualization of crucial information about the consultation.

Data Validation Test Plan: Creating Consultations (New Consultations Scene)
(Test Plan executed considering **today** as 18/02/2024 (dd/MM/YYYY)))

Test Number	Data Entered (dates)	Type of test data	Expected outcome	Actual outcome.	Corrections
1	19/02/2024	Normal	Creates Consultation	Creates Consultation	
2	05/03/2024	Normal	Creates Consultation	Creates Consultation	
3	24/05/2025	Normal	Creates Consultation	Creates Consultation	
4	18/02/2024	Extreme	Considers time and does not create consultation if there's another consultation at that time	Creates Consultation	Consider time and validate it.
5	17/02/2024	Abnormal	Throws error	Throw error	
6	18/02/2023	Abnormal	Throws error	Throws error
